REFERENCES

Mped Sp.z.o.o

"I have been working with Ark for 15 months. During this time, he showed understanding of the client's needs and perfect adaptation to the changing conditions of cooperation.

Hiring him was a great decision, thanks to highly developed communication skills I am convinced that he will do great in any team."

PROFILE

I am 28 years old passionate of computer technology especially in mobile development. I try to resolve problem I encounter with high accuracy and professionalism. I like to learn generally, although in context of more technical stuff. My passion is develop apps in React Native and Android native but I like to try something new e.g Artificial Intelligence or IoT
